

December 2007.

"The Fenland Grass Track Club have arranged, with the kind help of Buster Chapman, the hire of the Kings Lynn Speedway track on Sunday February 24th 2008. We have taken out a permit for a practice meeting for Grass Track Bikes only.

The track will be available for four hours between 11AM and 3PM and all classes adult and youth, solo and Sidecar are invited. Prior entry will be required no turning up on the day.

To keep the insurance costs down and give more track time to riders the entry will be limited to 50 and run as closed to club.

The club do have day memberships for £1 and this will be built into the entry fees which are £29 for a Solo, £32 for a sidecar, £19 for a youth rider. Obviously there will be a reduction for those who are already club members. Full club membership is available at £5 of £10 for a family. Anybody wanting regs. please email cambsgtc@btinternet.com or call 01487 711194 or 07974 728480. They are also be available on this website.

We hope to see you there on 24th, this is one of the bigger and wider Speedway tracks and from past experiences is ideally suited to Grass Track machines. The four hours track time with small numbers of riders gives plenty of time to blow away the cobwebs and try out new machinery."
